

MCSA Newsletter #02 27th April 2021

1. Message from the President

I remind every team to remain vigilant. COVID is not over. For the safety of your players, supporters, friends and loved ones, please use the COVID Attendance Record sheet at all your games. MCSA requires you to adhere to this requirement. For the safety of everyone, fines can and will be issued for non-compliance.

MCSA embraces cultural diversity and has a zero-tolerance policy for any type of violent or anti-social conduct. We expect everyone to play with **RESPECT** at all times.

2. Things You Need To Know & Adhere To

2.1 Team Marshal

It is mandatory that you appoint a Team Marshal for all your games. The MCSA issued vest must be worn at all times.

Your team marshal is the match officials' first point of contact. If your non-compliance is reported, your team will be fined.

If you don't have a team marshal vest, you must contact the secretary (secretary@mcsafootball.org.au) no later than Friday the 30th of May.

2.2 Game Day Documents

Effective immediately, any team failing to provide proper documentation (**Team Sheet, Player ID Summary or COVID Attendance Record**) on game day will be fined.

Be warned. Your referee has the right to forfeit your game if you do not have the required documentation.

We strongly suggest that you print your documents before Saturday. Forgetting to bring your documents is not a valid and acceptable reason. Neither is attempting to print your documents during the weekend and claim that your print request failed.

2.3 Match Ball

Every team should now have an approved **Mitre Delta Max** match ball. You must bring your match ball to all your games. Both teams must work together to retrieve the match ball when kicked out of play.

If you lose your match ball, MCSA will share the cost of your first lost ball. The cost will be fully borne by you thereafter.

Already, a few teams have managed to lose their match ball. For completeness, please confirm with the secretary (secretary@mcsafootball.org.au) to arrange for a replacement.

2.4 Team Uniforms

To avoid any potential colour clash, it is essential that you check your jersey photos on your Team Page (MCSA website). If necessary, send us a photo immediately so we can update your Team Page.

It is the away team's responsibility to check in advance, your opponent's jersey colour.

If the referee calls off the game, the team responsible for the colour clash will be fined and the match points awarded to the opposing team.

2.5 Technical Areas

For all fenced sports fields (e.g. Darebin, Knox, Tatterson Park, Narre P12) the technical areas must not have unauthorized personnel. That is, supporters and all other unauthorized personnel must be outside of the fenced area. The referee can stop the game until this rule is observed by both teams.

2.6 Smoking & Alcohol

MCSA is a member of Good Sports. Smoking and alcohol are prohibited.

In addition, it must be noted that council and school venues are smoke free. This is a condition of hire. For sports fields at Darebin and Knox, you must smoke outside the fenced areas.

For all other venues, we ask that you be considerate, move away from the congregated areas if you need to smoke.

2.7 Latest Fixtures

Please note that the fixture is subject to late changes requested by the venue management. We will do our best to keep you informed as soon as possible if and when changes are necessary. We thank you in advance for your understanding and support.

3. Your Match Officials

Similar to the teams and other football associations, our team of match officials did not escape the COVID pandemic unscathed and had been depleted in numbers particularly for assistant referees. We continue to lookout for talented individuals to join our team.

If you can help, please contact the secretary (secretary@mcsafootball.org.au).

We thank you for your understanding and support.

4. Your Competition Managers

Your Competition Manager should always be your first point of contact. Your cooperation and support is appreciated.

5. Rules on Settling Outstanding Fines

All fines must be settled **prior to your next game. Direct Payment (quoting your Account Code)** can be made as follows:

- o Account Name: **Melbourne Chinese Soccer Association**
- o Bank: **Bendigo Bank**
- o BSB: **633-000**
- o Account No: **180 119 778**

Ultimately it is the team's responsibility to cover all the fines.

5.1 Non Payment of Fines

Please ensure that your team/player(s) has no outstanding fines going into your next game. You are reminded that:

1. Overdue fine(s) may result in game(s) not being scheduled for your team;
2. Any player with outstanding fine(s) is NOT eligible to play. Playing an ineligible player may result in your relevant game(s) being forfeited with your opposing team(s) awarded with 3 goals and 3 points. In addition, any individual goals and/or MVP points earned by your players in that game(s) will also be forfeited.

Ultimately it is the team's responsibility to cover all the fines.
