2.2 Premier League

We may have a new team interested to join our Silicon Stack Premier League. If that eventuates, this team will replace Melbourne FC in terms of our fixture for the rest of the year. If your team prefers to have the "Bye", please let me know by Thursday the 15th of July. Your silent response will be taken as your acceptance to the proposed fixture change. No further correspondence will be entered into.

2.3 Game Day Compliance

Be warned.

Your referee has the right to forfeit your game if you do not have the required documentation (Team Sheet & Player IDs). You can locate all the relevant documents from the following links:

[Print Player List – MCSA \(mcsafootball.org.au\)](#)
[Documents – MCSA \(mcsafootball.org.au\)](#)

We strongly suggest that you print your documents before the weekend when more timely system support is available.

Most importantly, all your submitted team sheets are filed by MCSA for at least 2 months. In the event when one of your player is injured and needs to make an **insurance claim**, the insurance company WILL ask for a copy of your team sheet for the relevant game in order to support his claim.

3. Your Match Officials

Similar to the teams and other football associations, our team of match officials did not escape the COVID pandemic unscathed and have been depleted in numbers particularly for assistant referees. We continue to lookout for talented individuals to join our team.

If you can help, please contact the secretary (secretary@mcsafootball.org.au).

We thank you for your understanding and support.

4. Your Competition Managers

Your Competition Manager should always be your first point of contact. Your cooperation and support is appreciated.

5. Rules on Settling Outstanding Fines

All fines must be settled **prior to your next game**. Direct Payment (quoting your **Account Code**) can be made as follows:

- Account Name: **Melbourne Chinese Soccer Association**
- Bank: **Bendigo Bank**
- BSB: **633-000**
- Account No: **180 119 778**

Ultimately it is the team's responsibility to cover all the fines.

5.1 Non Payment of Fines

Please ensure that your team/player(s) has no outstanding fines going into your next game. You are reminded that:

1. Overdue fine(s) may result in game(s) not being scheduled for your team;
2. Any player with outstanding fine(s) is NOT eligible to play. Playing an ineligible player may result in your relevant game(s) being forfeited with your opposing team(s) awarded with 3 goals and 3 points. In addition, any individual goals and/or MVP points earned by your players in that game(s) will also be forfeited.

Ultimately it is the team's responsibility to cover all the fines.
